(Re: Four tanks removed in 1992), Shacktown Road, Yadkinville, NC, Yadkin
County

Dear Mr. Parker:

The Groundwater Section of the Winston-Salem Regional Office is still reviewing the UST closure assessment for the subject location. In order to determine whether or not the laboratory analytical results are acceptable, the completely original laboratory reports on the duplicate samples taken from the subject site for comparison on July 16, 1993 (Re: your letter dated May 15, 1995) within *30 days from receipt of this letter*.

Please refer to the file name, **NC DOT - Yadkinville**, on the cover letter of your reply. This will help us speed up the review. If you have any questions, please contact me at the letterhead address and/or telephone number.

Sincerely,

Shuying Wang
